

FERRAZ IMPLANTA CONTROLADORIA GERAL PARA AMPLIAR TRANSPARÊNCIA DA ADMINISTRAÇÃO

A Prefeitura de Ferraz de Vasconcelos visando garantir a transparência, eficiência e legalidade das atividades financeiras, administrativas e operacionais da gestão pública, implantou a Controladoria Geral do Município.

A CGM surge com objetivo de oferecer suporte técnico para a efetivação dos planos de integridade dos órgãos desta municipalidade e tem como foco principal estruturar, reforçar e criar uma sólida cultura de integridade institucional, através de análise, acompanhamento e combate de potenciais atos de corrupção por meio de ações de governança, gestão de riscos, controles internos, gestão de pessoas e transparência no atendimento ao público, dentre outras iniciativas que promovam o fortalecimento de valores individuais e institucionais, pautados nos princípios éticos de conduta e padrão de desempenho.

De acordo com o responsável pelo órgão, Anderson de Lima Silva, o trabalho da Controladoria irá colaborar na tomada de decisões da administração pública. “Nosso trabalho será oferecer informações relevantes através de relatórios periódicos, destacando resultados e recomendações para que os gestores municipais tomem as decisões assertivas em benefício da população de Ferraz de Vasconcelos”, comentou o controlador.

Fazem parte da Controladoria oito setores: Controle Interno e Auditoria, Corregedoria Geral do Município, Sindicância e Processo Disciplinar, Ouvidoria Geral do Município, Corregedoria da GCM, Ouvidoria da GCM, Proteção e Defesa do Consumidor e Coordenadoria da Mulher.

EDITAL Nº 007 de 27 de outubro de 2023

Pelo presente Edital, em respeito aos princípios da transparência e publicidade dos atos da Administração Pública Municipal, tem o presente a especial finalidade de informar o cancelamento dos lançamentos advindos da Taxa de Serviços de Bombeiros instituída no Município de Ferraz de Vasconcelos por meio da Lei Complementar nº 284, de 26 de dezembro de 2013 e revogada pela Lei Complementar nº 328, de 27 de março de 2018.

Tal medida vem em alinhamento com decisão do Supremo Tribunal Federal que julgou inconstitucional a cobrança de Taxa de Bombeiro/Incêndio pelos municípios, julgado sob o regime de repercussão geral, por meio do RE nº 643.247, decidindo que não cabe aos municípios a cobrança de taxa referente a serviço prestado ao combate de incêndio, já que a prevenção e combate de incêndios são tarefas do Corpo de Bombeiro, vinculado à Polícia Militar do Estado, não cabendo aos municípios o recolhimento de taxa por atividade que não lhe cabe prestar.

Diante das medidas adotadas através do processo administrativo nº 17.311/2023, foram cancelados 8.831 débitos referentes a Taxa de Serviços de Bombeiros dos exercícios de 2014 e 2015 (ANEXO I), restando como pendentes de cancelamento 2.962 débitos parcelados (ANEXO II).

Nestes termos, ficam os contribuintes que possuam débitos parcelados referentes a Taxa de Serviço de Bombeiro notificados para se apresentarem nesta municipalidade, com a possibilidade de parcelamento sem prejuízos dos benefícios que por ventura tenham aderido durante o parcelamento vigente.
