Da: Secretaria Municipal da Fazenda

Para: Secretaria Municipal de Administração

Senhora Secretária,
Senhora Coordenadora:

Trata o presente memorando interno, de anseio desta Secretaria Municipal da Fazenda acerca de elaboração de Projeto de Lei visando o cadastramento e recadastramento dos imóveis do município com incentivo fiscal de 2% (dois por cento) do valor do IPTU do contribuinte.

Cumpre-me salientar que o projeto de lei em comento, visa atenuar a defasagem no cadastro eletrônico desta municipalidade, haja vista que devido desmazelos e descuidos em períodos de gestores anteriores o cadastro imobiliário desta municipalidade é repleto de falhas e lacunas que dificulta e inviabiliza a correta cobrança administrativa e execução fiscal dos contribuintes.

À título de informação complementar, esclareço que atualmente há na divisão de dívida ativa desta municipalidade aproximadamente 35 mil (trinta e cinco mil) CDA'S – "Certidão de Dívida Ativa" que atualmente esta municipalidade não possui condições de realizar a efetiva cobrança administrativa e/ou judicial, em decorrência de dados básico para concretizar na negativação dos contribuintes.

Em face da imperfeição dos registros informatizados desta municipalidade, entendo que esta municipalidade anualmente tem o prejuízo e frustração de arrecadação na ordem de R\$ 20.844.000,00, a considerar a ausência de efetividade nas cobranças administrativa e judiciais.

Desse modo, concluo que somente o fato da atualização cadastral e recadastramento dos contribuintes municipais irá auxiliar de forma direta nos trabalhos administrativos desta Secretaria Municipal da Fazenda e nos procedimentos de execução fiscal da Secretaria Municipal de Assuntos Jurídicos, sendo que a manutenção no cadastro eletrônico desta Administração Pública

Municipal irá contemplar as medidas de compensação suficiente para nivelar e equalizar a renúncia de receita de 2% (dois por cento) do projeto de lei em tela.

À vista do exposto, saliento que esta Secretaria Municipal da Fazenda, antevendo os preceitos do Art. 14 da Lei Complementar n.º 101/2000, realizou a devida previsão junto a Lei de Diretrizes Orçamentária do exercício de 2023, dos valores fortuitos de dedução (desconto), consequentemente, gerando uma renúncia de receita.

- **Segue tabela 7 - Estimativa e Compensação da Renúncia de Receita, para o exercício de 2023, devidamente, previsto na LDO/2023.**

No tocante ao aspecto financeiro do montante a ser renunciado esta Secretaria Municipal da Fazenda, projeta que o impacto positivo, aceitação e adesão da "Lei do Cadastramento e Recadastramento", será suficiente para contra balancear o valor renunciado estimado em R\$ 958.073,32 (novecentos e cinquenta e oito mil, setenta e três reais e trinta e dois centavos), conforme detalhamento do quadro abaixo:

Além do mais, sobrelevo que a atualização do cadastro dos contribuintes municipais irá propiciar a Fazenda Pública adotar maior rigidez na cobrança dos débitos contribuintes, visando otimizar o convênio firmado com o tabelião de protesto de poá, o qual recentemente o município vem explorando e conseguindo lograr êxitos na arrecadação do município.

Portanto, os estudos realizados pelos técnicos municipais, projetam que as medidas de compensação financeira, disposto no Art. 14 e 16 da LRF, serão regulares e satisfatórios no nivelamento das contas públicas.

PARECER JURÍDICO

Processo administrativo nº 19115/2022

Consultante: Secretaria Municipal de Administração

Assunto: Minuta do Projeto de Lei - Contrato para compra e venda de lotes

EMENTA: Projeto de Lei. Competência Legislativa. Desconto IPTU. Conceito e requisitos. Possibilidade. Legalidade.

I – DO RELATÓRIO:

Trata-se de consulta encaminhada pela Secretaria Municipal de Administração sobre a legalidade e constitucionalidade da minuta do projeto de Lei que dispõe sobre a estimulação de cadastramento e recadastramento imobiliário em caráter espontâneo, com desconto do Imposto Predial e Territorial Urbano (IPTU) proposta pela Secretaria Municipal da Fazenda.

Caso o projeto de Lei seja aprovado, irá possibilitar e amenizar a defasagem no cadastro eletrônico dos imóveis desta municipalidade que acaba dificultando e inviabilizando a correta cobrança administrativa e a execução fiscal dos contribuintes. Com o estímulo, de caráter espontâneo, do cadastro e recadastro imobiliário do município geraria o incentivo fiscal de 2% (dois por cento) do valor do IPTU do contribuinte para cadastros realizados até a data de 31/05/2022 com lançamento do desconto para o IPTU de 2024.

O presente processo foi instruído com a seguinte documentação:

- Minuta do Projeto Lei;
- Memorando n.º 1168/SMF/2002 – Da Secretaria Municipal da Fazenda informando sobre a dívida ativa causado pelo déficit de registros informatizados ocasionando prejuízo na arrecadação.

**Secretaria Municipal de Assuntos Jurídicos,
Direitos Humanos e Cidadania**

Analizando o estudo financeiro possível para o exercício de 2023, devidamente previsto na LDO/2023.

- Estudo de Impacto Financeiro e Estimativa e Compensação da Renúncia da Receita.
- Relação de inscrições municipais com problema no cadastro imobiliário.

É o breve relatório.

II - DA DELIMITAÇÃO DO OBJETO DO PARECER

Primeiramente, registra-se que este Parecer Jurídico se atém exclusivamente à consulta quanto à legalidade e constitucionalidade do Projeto de Lei analisado.

Dessa forma, não compete a esta Assessoria Jurídica analisar questões de oportunidade e conveniência da Administração Pública, de modo que este Parecer se restringe às questões jurídicas que envolvem o Processo Administrativo em epígrafe.

III - DA FUNDAMENTAÇÃO JURÍDICA

a. DA COMPETÊNCIA LEGISLATIVA

De início, quanto à competência legislativa, não há qualquer óbice à proposta, já que o art. 30, I, art. 156, I, ambos da Constituição Federal de 1988 estabelece que "compete aos Municípios legislar sobre assuntos de interesse local".

Também em relação a competência legiferante do Município, o presente projeto encontra-se amparado pelos artigos 140, I, da Lei Orgânica do

Município de Ferraz de Vasconcelos que dispõe que " Compete ao Município instituir imposto sobre: I – propriedade predial e territorial urbana".

Cabe pontuar que os Municípios possuem competência para legislar sobre contribuição do caráter imobiliário da municipalidade, onde é evidente se tratar de assunto de interesse local.

Destarte, a matéria do projeto de lei municipal é de competência do Município, não havendo impedimentos para que o Município incentive o cadastro e recadastro, de caráter espontâneo, a fim de conseguir atenuar o déficit de cobranças, em contrapartida ceder ao contribuinte o desconto do IPTU para o ano seguinte.

Também em relação à competência legiferante do Município, o presente projeto encontra-se amparado pelo artigo 6º, I da Lei Orgânica do Município de Ferraz de Vasconcelos que dispõe que:

Artigo 6º -Cabe a Câmara Municipal, com a sanção do Prefeito, dispor sobre todas as matérias de competência do Executivo, e especialmente:

- I - legislar sobre assuntos de interesse local, inclusive suplementando a legislação federal e estadual;
- II - legislar sobre tributos municipais, bem como autorizar isenções, anistias fiscais e remissão de dívidas.

Outrossim, o inciso III, do artigo 74 da mencionada Lei determina as competências do Chefe do Poder Executivo Municipal:

Artigo 74 – Compete ao Prefeito, além de outras atribuições previstas nesta Lei:

(...) III. sancionar, promulgar e fazer publicar as leis, bem como expedir decretos para a sua fiel execução.

b. DA NATUREZA JURÍDICA DO PROJETO DE LEI

Cabe ressaltar e pontuar, mais uma vez, que os Municípios possuem competência para legislar os tributos municipais, bem como

**Secretaria Municipal de Assuntos Jurídicos,
Direitos Humanos e Cidadania**

autorizar isenções, anistias fiscais e remissão de dívidas. Neste sentido, A Constituição Federal de 1988, no art. 150, § 6º, dispõe que

Art. 150. Sem prejuízo de outras garantias asseguradas ao contribuinte, **é vedado à União, aos Estados, ao Distrito Federal e aos Municípios:**

§ 6º Qualquer subsídio ou isenção, redução de base de cálculo, concessão de crédito presumido, anistia ou remissão, relativos a impostos, taxas ou contribuições, só poderá ser concedido mediante lei específica, federal, estadual ou municipal, que regule exclusivamente as matérias acima enumeradas ou o correspondente tributo ou contribuição, sem prejuízo do disposto no art. 155, § 2.º, XII, g. (Grifo nosso)

Isso porque, essas leis foram elaboradas pela União para disciplinar as regras gerais sobre competência e disposições gerais para tratamento uniforme em todo o território nacional. Dando a competência de cada ente federativo regular da forma que for conveniente.

A Minuta do Projeto Lei apresentou o devido estudo de impacto orçamentário-financeiro atendendo aos preceitos do art. 14, da Lei Complementar n.º 101/2000.

Tendo em vista a previsão legal exposta na Constituição, bem como na Lei Orgânica Do Município de Ferraz de Vasconcelos, a Lei será viável, sem modificações no que tange o seu caráter legal e formal.

IV – DA CONCLUSÃO

Diante do exposto, opina-se pela constitucionalidade do projeto de Lei que institui o incentivo para cadastramento e recadastramento de imóveis para cadastros realizados até a data de 31/05/2022 com lançamento do desconto para o IPTU de 2024, de caráter espontâneo, concedendo o benefício de 2% de desconto ao contribuinte nono imposto predial e territorial (IPTU).

No que tange o aspecto jurídico, parece-nos, salvo melhor juízo que não impedimentos, devendo ser observados os trâmites legais posteriores a essa análise.

ESTADO DE SÃO PAULO

Mensagem nº 42 /2022, da Senhora Prefeita Municipal.

Palácio da Uva Itália, 8 de dezembro de 2022.

Senhor Presidente:

Tenho a honra de remeter para o estudo e deliberação de Vossa Excelência e demais pares dessa Egrégia Casa Legislativa, o incluso Projeto de Lei que versa sobre incentivo fiscal concedido pelo município através do Carnê do IPTU, buscando que os contribuintes realizem atualização cadastral junto ao Departamento da Receita Municipal.

Destarte, aludo que o Projeto de Lei de autoria da Secretaria Municipal da Fazenda visa o cadastramento e recadastramento dos imóveis do município com incentivo fiscal de 2% (dois por cento) do valor do IPTU do contribuinte para o exercício de 2024.

Cumpre-me salientar que o projeto de lei em comento, visa atenuar a defasagem no cadastro eletrônico desta municipalidade, haja vista que devido desmazelos e descuidos em períodos de gestores anteriores, o cadastro imobiliário desta municipalidade é repleto de falhas e lacunas que dificultam e inviabilizam a correta cobrança administrativa e execução fiscal dos contribuintes.

À título de informação, ilumino que atualmente há na divisão de dívida ativa desta municipalidade aproximadamente 35 (trinta e cinco) mil CDA'S - "Certidão de Dívida Ativa" que atualmente essa municipalidade não possui condições de realizar a efetiva cobrança administrativa e/ou judicial, em decorrência de dados básicos para concretizar a negativação dos contribuintes.

Em face da imperfeição dos registros informatizados, entendo que esta municipalidade anualmente tem o prejuízo e frustração de arrecadação na ordem de R\$ 20.844.000,00 (vinte milhões, oitocentos e quarenta e quatro mil reais), a considerar a ausência de efetividade nas cobranças administrativas e judiciais.

Desse modo, concluo que somente o fato da atualização cadastral e recadastramento dos contribuintes municipais irá auxiliar de forma direta nos trabalhos administrativos da Secretaria Municipal de Fazenda e nos procedimentos de execução fiscal da Secretaria Municipal de Assuntos Jurídicos, sendo que a manutenção no cadastro eletrônico desta Administração Pública Municipal irá contemplar as medidas de compensação suficientes para nivelar e equalizar a renúncia de receita de 2% (dois por cento) do projeto de lei em tela.

Além do mais, sobrelevo que a atualização do cadastro dos contribuintes municipais irá propiciar a Fazenda Pública adotar maior rigidez na cobrança dos débitos contribuintes, visando otimizar o convênio firmado com o tabelião de protesto de Poá, o qual recentemente o município vem explorando e conseguindo lograr êxitos na arrecadação dos tributos de exercícios anteriores que se encontravam em mora a grande tempo.

Expostas as razões que nos levaram a apresentar esta proposta de lei, solicitamos que a apreciação da mesma se faça em regime de **urgência** dentro do que determina o artigo 48 da Lei Orgânica Municipal, esperando, sobretudo que a mesma receba a manifestação favorável de Vossa Excelência e também dos nobres pares.
